eastbound aata route 3 to detour around construction at geddes road & us-23

ANN ARBOR, MI – A new phase for the construction of roundabouts in the Geddes Road / US-23 interchange is scheduled to begin on 5/24/10. Eastbound traffic will be detoured as a result. This work will impact Ann Arbor Transportation Authority (AATA) route 3 beginning on 5/24/10. The project is expected to last through 6/25/10. Route 3 [to Ypsilanti] will be detoured around the area in an attempt to maintain timely service. AATA is advising passengers to plan their trips in advance and allow extra time for traveling on the affected routes.

route 3 [to ypsilanti] detour begins 5/24/10

The stops affected during the detours will be:

Missed Stops	Nearest Stops in Service
Geddes east of Huron Pkwy	Huron Pkwy north of Geddes (at Huron High School athletic fields)
Geddes east of Sumac	Huron Pkwy north of Geddes (at Huron High School athletic fields)
Geddes east of Earhart (Concordia University)	Huron River Dr opposite Heartland Healthcare Center
Geddes west of Dixboro	Huron River Dr opposite Heartland Healthcare Center
Dixboro south of Geddes	Huron River Dr opposite Heartland Healthcare Center

The latest information on AATA routes, schedules and detours is available at 734.996.0400 and on the [AATA Routes and Schedules page](#).
